**Speaker:** Scott Phillips

**Main Text:** Mark 2:1-12 - Actions Speak Loudest

The actions of the four friends say one thing \_\_\_\_\_ but their actions reveal greater truths.

- Bringing their friend to Jesus reveals the truth of their \_\_\_\_\_
- Tearing through the roof reveals the truth about their \_\_\_\_\_
- Coming to Jesus reveals the truth about their \_\_\_\_\_

Sin paralyzes but forgiveness heals us to walk in faith.

- Jesus' healing reveals the truth that only He can \_\_\_\_\_
- Heal your illness - save your \_\_\_\_\_
- Heal your sin - save your \_\_\_\_\_

When Jesus forgives you, two things happen:

1. We are forgiven and our sin is not \_\_\_\_\_ against us.
2. Our guilt is removed and we are \_\_\_\_\_ from our wrong.

The healing of the man's body was the action that revealed the greatest truth; the healing of the man's \_\_\_\_\_.

Sin is spiritual \_\_\_\_\_ and forgiveness gives eternal \_\_\_\_\_.
